

MILLENNIUM CHARTER ACADEMY

Request for Medication to be Given During School Hours

Note to Parents/Guardians:

Millennium Charter Academy requires that all students who need medication during school hours must:

- 1. Present this completed form to the Academy.
2. Prescription medicines must be brought to school in a pharmacy labeled bottle which contains instructions on how and when the medicine is to be given. (Parents may request the pharmacist dispense two bottles of medication, one for home and one for school).
3. Over-the-counter drugs must be received in the original container and will be administered according to the doctor's written instructions.

Medication may be given by school personnel provided the physician completes this medication permission request form. Medication should be brought to school by parents rather than children.
